GOD CONTINUOUSLY REVEALS:

God constantly reveals and manifests Himself or His plans for us. Sometimes He may reveal a lot, but most of the time He would reveal or unveil just a little at a time. We don't narrate the entire big story to someone within a second. It takes time to reveal and narrate or to explain the difficult parts of the story to someone who is new to that story. So too when something is new to us God does it in an easy step by step process. And He would explain the parts of the story of His plan for our life with our practical daily experiences. He could sometimes in one go may reveal a lengthy part of His story for us too, but still it will be hard for us to comprehend. Today we celebrate the manifestation of God. This is done through the visit of the kings to the baby Jesus. What others don't see is seen by these kings. And secondly, their coming from other countries, God revealed Himself to all the nations apart from His chosen nation.

DONATION ENVELOPES:

2018 Donation envelope boxes are available in the Church Narthex. If you cannot find the envelope box marked with your name, take the envelope box which is not assigned. Please don't forget to print your full name, updated address and postal code on the first envelope that you bring and offer at the Church. This updated information is required for the purpose of Tax Receipt and for the parish records. Printing the land phone and cell phone will also help us update your contact information in the parish data and will also help us clarify if there is any confusion regarding your contribution. All information that you provide will be kept completely secured with privacy.

At any time, if you don't have an envelope and still wish to contribute to the Church, you can also use any regular envelope and print your contact information details and mail us or drop it in the collection basket.

Missing information:

During 2017, contributions have been made to the Church through the following envelope numbers, but we don't have the name and address of the contributor or those who hold the envelopes with these numbers.

51, 156, 169, 176, 177, 182

Please let us know if that belong to you or if you have envelope box with these numbers. Without the name and the address, we won't be able to issue the Tax Receipt.

THANK YOU AND GOD'S BLESSING:

For all that you did toward the parish during the year 2017 no matter how little it was whether it was providing your own funds, giving time to work at the parish or working at different other places to spread the love of God or helping in some ministries or even praying for the parish or for others, may God abundantly bless you and your loved ones. May all that Jesus brought to the earth (Joy, Peace, Love and Hope) may forever be yours and your family as we close this Christmas Season. Thank you so much.
