COLLECTION for the POPE'S PASTORAL WORKS – May 17

One third of the funds collected is used by the Pope for his charitable contributions to those most in need throughout the world. This he does on behalf of all of us.

Two-thirds are to support the Holy Father in administering the Holy See and serving the Universal Church.

ST. MATTHIAS, Apostle – Thursday, May 14

The Acts of the Apostles (chap. 1, verses 15-26) tells us of how he was chosen to replace Judas, who had betrayed Jesus. There is a tradition which links him with Ethiopia. He is the only apostle whose relics are north of the Alps, at Trier in Germany.

BEES

As designated by the United Nations, May 20th is World Bee Day. On that day Anton Janša from Slovenia was baptized. He said, "Bees are a type of insect, hardworking, created by God to provide humanity with all needed honey and wax." Many crops rely on bees for pollination.

Pat O'Reilly: Wonderful Mother

*God made a wonderful mother,
A mother who never grows old;
He made her smile of the sunshine
And He molded her heart of pure gold;
In her eyes He placed bright shining stars,
In her cheeks fair roses you see;
God made a wonderful mother,
And He gave that dear mother to me.*
